

# Cacchillo & Daniel

Periodontics & Dental Implants

While all of us at Cacchillo & Daniel are safe at home, we have been taking this time to learn everything we can to ensure we are educated and prepared to resume providing periodontal care to all of our patients. Our doctors and staff are closely evaluating guidelines and procedures for our office in regards to COVID-19, and patiently waiting on details as to when we are able to begin the reopen process.

We have office staff answering phones and rescheduling appointments Monday through Friday during limited hours. We understand that this may be a stressful time and many of you are concerned about your periodontal health. If you need to reach us, please call 614-861-8077 and we will return your call.

We look forward to seeing you all soon!
